County of Los Angeles
Sheriff's Department Headquarters
4700 Ramona Boulevard

January 10, 2006

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

**AUTHORIZE THE SHERIFF TO ENTER INTO AN AGREEMENT WITH SHIELD
DEFENSE CORPORATION AND MARK CORREIA FOR FIELD EVALUATION OF
EQUIPMENT AND ACCEPT DONATED FLASHLIGHTS
(ALL DISTRICTS) (3 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Authorize the Sheriff to execute an agreement with Shield Defense Corporation and Mark Correia, Ph.D., to conduct a field evaluation of the Cobra Stunlight flashlight/pepper spray system to determine the efficacy and safety of such a device for reducing the necessity to employ a flashlight as a less lethal impact option without jeopardizing the safety of the deputy.
2. Authorize the Sheriff to accept 500 flashlights from Shield Defense Corporation, with an approximate value of \$200 each, to be distributed directly to participating deputies in return for field reports under actual working conditions.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of this recommended action is to request that the Sheriff be authorized to enter into an agreement substantially similar to the attached agreement to implement a six month field test of Cobra Stunlight flashlights. These flashlights are equipped with a self-contained pepper spray dispenser, enabling a deputy to immediately employ less lethal force without resorting to impact by striking with the flashlight. All costs for the field trial, except the training of the deputies to use the device and replacement canisters, will be provided by the developer/manufacturer Shield Defense Corporation.

A Tradition of Service

Implementation of Strategic Plan Goals

This request conforms to the County's Strategic Plan Goal 1: Service Excellence. The field test will determine the advantages and/or disadvantages of incorporating a less lethal option in a single system to allow protection of a deputy without having to resort to impact from a flashlight.

FISCAL IMPACT/FINANCING

Costs associated with the training for this equipment and pepper spray replacement canisters will be paid for out of the Sheriff's Department's operating budget. All other costs will be borne by the manufacturer.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Under the agreement, each participating deputy will receive instructions and ongoing training in the use of the equipment. The deputies will provide feedback in the form of an electronic questionnaire regarding each use of force incident during the study time period. The Department will supply data regarding use of force incidents to Shield Defense Corporation and to Dr. Mark Correia, Ph.D., who will analyze the data and provide reports to the Department. At the conclusion of the study, the Department may determine whether to permit deputies to carry the flashlight system as authorized equipment, however, the Department does not intend to purchase the equipment directly.

The proposed agreement and Board letter have been reviewed and approved as to form by County Counsel. The agreement includes indemnification of the County by the manufacturer and requires the manufacturer to carry Aggregate Products and Completed Operations insurance coverage of \$2 million, in addition to the standard County insurance terms. The agreement also provides for County ownership of all data and written materials generated by the study. Upon completion of the study, the manufacturer will provide each deputy participating in the study with one flashlight system. The agreement is nearly identical to an agreement approved by your Board on October 11, 2005 for a Sheriff's study of another company's similar product.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

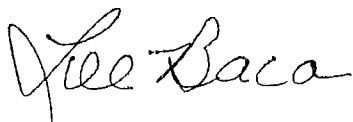

There will be no negative impact on current services within the Sheriff's Department, or any other County Department.

The Honorable Board of Supervisors
